RESOLUTION NO. 2 OF 1982

A RESOLUTION TO SET A MAXIMUM ANNUAL SEWER RENTAL FEE FOR THE NORTHERN YORK COUNTY REGIONAL JOINT SEWAGE AUTHORITY SEWER PROJECT.

BE IT RESOLVED: that the Goldsboro Borough Council will accept bids on the proposed Northern York County Regional Joint Sewage Authority, Sewer Project, only if the resultant annual sewer rental fee would be Four Hundred Dollars (\$400.00) or less.

It is the feeling and concern of Council that any figure in excess of this amount would bring hardship to the majority of the residents of the Borough. It would be the intention of the Borough Council to reject any bids which would require an annual fee of more than \$400.00.
