RESOLUTION

WHEREAS, the recently approved official Sewage Planning Report, prepared in accordance with the rules and regulations of Penna. Dept. of Environmental Resources, Chapter 71, adopted by Goldsboro Borough Council on November 14, 1983, recommends the construction of a sewage collection, treatment, and disposal facilities to serve Goldsboro Borough.

WHEREAS, Goldsboro Municipal Authority approved an agreement with Valley Green Sewer Company on September 19, 1985, to purchase capacity from said Valley Green Sewer Company in lieu of Goldsboro Borough constructing and operating their own treatment facility.

NOW, THEREFORE, BE IT RESOLVED that Goldsboro Borough hereby adopts the said revision of their official Sewage Facilities Plan and further indicates its intention to construct, operate, and maintain a sewage collection system in accordance with State and Federal requirements and to purchase capacity from the Valley Green Sewer Company, Treatment Facility, provided that these facilities are approved by the Commonwealth of Pennsylvania and the United States Dept. of Agriculture, Farmers Home Administration.
