Re: Resolution 2004-3/New Electric Rate

Dear Lee:

Enclosed herewith please find a copy of Resolution 2004-3 establishing a new electric rate of \$0.10 per kilo watt hour. This new electric rate was approved by Borough Council at the last Borough Council meeting on June 14, 2004 and became effective June 15, 2004. As the new rate and Resolution were already approved, I suggest that you have Cory Ensor sign the enclosed Resolution both as President of Borough Council and as Acting Mayor. You should maintain the original Resolution in your file for future reference.

As always, please contact me directly if you have any questions or concerns regarding this matter.

Very truly yours,

JOHNSON, DUFFIE, STEWART & WEIDNER
