

**BOROUGH OF GOLDSBORO  
YORK COUNTY, PENNSYLVANIA  
RESOLUTION NO. 2010-3**

A RESOLUTION OF THE COUNCIL OF GOLDSBORO BOROUGH, YORK COUNTY, AUTHORIZING PENNDOT TO REQUEST RAILROAD CROSSING UPGRADES AT FRAZER STREET FROM THE PENNSYLVANIA PUBLIC UTILITY COMMISSION.

WHEREAS, Frazer Street Crossing is a public roadway under the jurisdiction of the Borough of Goldsboro; and

WHEREAS, a railway operates through Goldsboro Borough, which railway maintains a crossing over Frazer Street; and

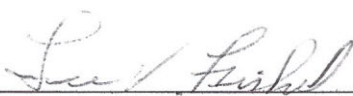

WHEREAS, in order for the safety improvements to be made pertaining to the railway crossing, such improvements must be submitted to the Pennsylvania Public Utility Commission ("PUC") by and through the Pennsylvania Department of Transportation ("PennDOT");

NOW THEREFORE, IT IS HEREBY RESOLVED by the Council of Goldsboro Borough as follows:

1. PennDot is authorized on behalf and for Goldsboro Borough to request approval of the PUC to install or permit the installation of crossing upgrades, including, but not limited to, appropriate warning devices at the railway crossing at Frazer Street in Goldsboro Borough.
2. PennDOT is authorized on behalf and for Goldsboro Borough to request approval of the PUC to issue Notice to Proceed letters to the railroad for design and/or construction at the railway crossing at Frazer Street in Goldsboro Borough.

RESOLVED, this 8<sup>th</sup> day of March, 2010, in public meeting duly noticed and assembled.

CERTIFIED true and correct copy of Resolution No. 2010-3 adopted this 8<sup>th</sup> day of March, 2010 by the Borough Council of Goldsboro Borough.

March 4, 2010

York County  
Goldsboro Borough  
At-Grade Crossing  
Frazer Street  
DOT # 517 620 V  
MPMS # 89375

Mr. Lee V. Fishel, Manager  
P.O. Box 16  
Etters, PA 17319

Dear Mr. Fishel:

As you may be aware, the Commonwealth of Pennsylvania, Department of Transportation (the Department) is filing an application with the Pennsylvania Public Utility Commission (PUC) for the approval to replace the existing crossbucks with flashing lights and gates where Frazer Street crosses, at-grade, the two tracks of Norfolk Southern (DOT# 517 620 V) located in the Borough of Goldsboro, York County.

This action is in accordance with the Section 130 Federal Rail Safety Program, which provides 100 percent Federal funding for the construction of railroad warning devices on public roads. In order to qualify for these Federal funds, the borough must agree to provide a local match of up to seven thousand five hundred (\$7,500.00) dollars for the design of the warning devices. The railroad would be billing the borough directly for the design costs that they incur, and any costs over \$7,500.00 will be paid for by the railroad. The railroad will then seek reimbursement through the Department for 100 percent of the construction costs.

Please sign, date, and affix the borough seal at the space provided on this letter and return the original to me. Please also provide a resolution agreeing to allow the Department to file this application on your behalf, authorize the Department to issue Notice to Proceed letters to the railroad for design and/or construction, and indicate that you concur with providing up to a maximum of \$7,500.00 for the design of the project. If a resolution is not provided it will be presumed that by signature, date, and seal of this letter that you concur with these conditions and authority is granted, and no resolution is necessary.
